## What is Conflict Management Coaching?

Conflict management coaching, also known as conflict coaching, is a specialized niche in the field of coaching and conflict management.

It is a process in which a trained coach assists people on a one-on-one basis to effectively manage their interpersonal disputes and enhance their conflict management skills.

This technique may also be used to coach people to more confidently and effectively participate in mediation, negotiation and other dispute resolution techniques.

## Methods Used in the Workshop

- ✓ Through practices, demonstrations, self-reflection and discussion, participants develop and practice conflict management coaching techniques and skills.

## Participants

- ✓ The training will be of specific interest to coaches, workplace, family and other mediators (interpersonal conflicts), HR Professionals, lawyers, leaders and others who work with people in conflict.

Following the Conflict Management Coaching Workshop, participants who complete the workshop may choose to receive a free monthly newsletter called "CINERGEMS" and attend a 'teletalk' on conflict management coaching practice topics held monthly by CINERGY® at no cost.

For over 20 years thousands of people have been trained around the world - virtually and in-person - in the unique and highly effective CINERGY® model of conflict management coaching

The CINERGY® model is a 7-step process that seamlessly blends the principles of conflict management, coaching, and neuroscience to transform how individuals approach and manage conflict.
